|----------------------|--|
| Period of Use | Mon, Nov. 27 - Sat. Dec. 2 (6 days) |
|----------------------|--|

- ※ The above rates are for one session (with one month).
- ※ When applying, be sure to attach the floor plan of the booth, which indicates the location of the line.
- ※ Please note that we may not be able to provide the application after the submission deadline.
- ※ "Plan 1 @High Speed Optical Network NGN(FLET'S Hikari Next Family High Speed Type)" is a best-effort service of up to 200Mbps.
- ※ "Plan 2 @High Speed Optical Network Giga(FLET'S Hikari Next Giga Type)" is a best-effort service of up to 1 Gbps.
- ※ "Plan 3 @High Speed Optical Network 10Giga(FLET'S Hikari Next Cross Type)" is a best-effort service of up to 10 Gbps.
- It does not guarantee communication speed or communication quality. The communication speed at the site differs depending on usage conditions.
- ※ Please note that we are not liable for any communication with the outside party caused by a malfunction of the carrier.
- ※ The provider included in [Set] is [Dynamic IP].
- If you want a fixed IP, please apply with [line only] + [fixed IP-1] + [router (necessary)].
- ※ When connecting multiple terminals, please prepare the branch device such as HUB and wireless LAN etc. by yourself.
- In addition, please carry out installation and setting at your own risk.
- ※ Please consult us if you use high bandwidth for distribution.

Wireless LAN: At Makuhari Messe, public wireless LAN is available in International Exhibition Halls 1 to 8, the second-floor Central Mall and the 1st- and 2nd-floor lobbies of the International Conference Hall. However, a contract with one of the following services is required to use the wireless LAN. For details, please visit the websites of the providing companies.

- Softbank Wi-Fi (Softbank)
- docomo Wi-Fi (NTT DoCoMo)
- FLET'S SPOT (NTT East Japan)
- UQ WiMAX (UQ Communications)
- Makuhari Messe Free Wi-Fi (free of charge but unavailable in the exhibition halls)
